Hi Eron,  
FCR-6 is approved.  
Thank you,  
Madi

**Subject:** Arkema Riverbank Soil Sampling - FCR-6

Hi Madi,

As we discussed on Friday, attached is FCR-06 (Move RB-27 approximately 20 ft east due to safety concerns). Please let me know if you have any questions.

The riverbank soil borings were completed yesterday, except for the two borings on BNSF property (RH-01 and RH-02). We are still working to secure an access agreement with BNSF to advance those borings.

Thanks!
